

この一瞬を焼き付けろ！

川が、山が、空が、鉄路が
今この時だけの絶景を生み出す
奥会津・只見線——

訪れるたびに
表情を変えるこの地に魅せられて
人々は今日もカメラを構える

自分だけの
シャッターチャンスを探して
いざ霧幻の秘境鉄道へ

心揺さぶる一枚は ここから生まれる

Capture the moment!

Rivers, mountains, sky, and railways.
This magnificent scenery created in this singular moment
is a product of the Tadami Line in Okuazumi.

Fascinated by the way the expression of the land
changes every time they visit,
people are ready with their cameras again today.

Looking for their own perfect capture
they head to the fantastic, unexplored railway.

That one shot that makes your heart leap.
This is where it is created.
