『湖上を往く秋』

場所：只見駅～大白川駅間（只見町）

田子倉モーターボートの船上から湖を渡る列車を望む。10月初旬の紅葉はまだ色づき始めてしたが、やがて只見線も湖も、それは見事な錦繡をまといます。

Autumn on the Lake

Location: Section between Tadami Station and
Oshirakawa Station (Tadami Town)

Looking at the train cross the lake from aboard a motorboat on Lake Tagokura. The leaves had just begun changing color in early October, but the Tadami Line and lake are gradually covered in a beautiful brocade of color.
